We have audited

(Continued)

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Insufficient accounting controls are exercised over cash receipts at the point of collection to the time of submission to the Central Treasurer. Accordingly, we were unable to obtain sufficient audit evidence over such receipts beyond the amounts recorded.

In our opinion, except for the possible effects of the matter discussed in the basis for qualified opinion paragraph, the financial statements referred to above present fairly, in all material respects, the cash and fund balances of the Extraclassroom Activity Funds of the School District as of June 30, 2020, and its cash receipts and cash disbursements for the year then ended, in accordance with the cash basis of accounting described in Note 1.

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.
